

*Many thanks to **ESH Living** who kindly donated a whole range of brand new kitchen units and worktops for us to create a superb working area.*

***This generous donation has really helped speed up the process of getting the shed ready for use.***

Some of the kitchen units and worktops  
Kindly organised and collected by Dave P

The unloading team - Allen, Tony, Ian and Dave

## Other News

**The electrical system is due to be fully commissioned in the next two weeks.**

**Calverts have agreed to arrange the removal of the soil pile**  
It should all be gone before the end of the month.

**We have started a wish list. And a thanks, but no thanks, list.**

Now that we have some space for tools and materials, we are at last able to accept donations. Apologies if it looks like we've being a bit picky, but some of the things we need are very basic, and some of things we have no use for may not be obvious. If it's old and rusty (or currently lives in a jam jar) we probably can't use it - Sorry.

# Yes please

Pencils and Sharpeners, Tape measures, Steel rules, PVA, Boxes of screws, Clamps of all sizes and types, Drill bits -except masonry type, Squares - any kind, Hinges, Brackets, Helping Hands, Cordless Power Tools with Chargers, Anglepoise or similar Bench Lights, Bench or floor mounted mains power tools.

# No thanks

Most mains powered hand tools including Drills, Routers, Sanders, and Jig Saws. Hand tools including Hammers, Planes, Rasps, Drills, Chisels, Screwdrivers, Saws. Chipboard and MDF, Pallets, Electrical Items, Furniture, Tool Boxes, Paint or any kind of Solvent.

*These lists will change from time to time as we develop different projects. If you have something that is not listed, and you think might be useful, please get in touch using the shed email address.*

## And, happening this week....

**Richmondshire Climate Action Partnership (RiCAP) are holding their second repair cafe event - please see below for details.**

**REPAIR & REPURPOSE CAFE**

Richmondshire Climate Action Partnership

richmondshireclimateaction.org/repair-cafe

Bring your broken or damaged goods, such as, bikes, clothes, fabric, small electricals, computers, jewellery and toys. Our local voluntary repairers will have a go at fixing them or reimagining new uses for your items. There will also be fun repurposing activities for children of all ages to get involved in. This is a free event, however any donations are welcome and will support future events.

**Interested in becoming a Repairer?**  
 or could you support us in another role on the day or behind the scenes? If so, we would love to hear from you. Please email: [valerie@richmondshireclimateaction.org](mailto:valerie@richmondshireclimateaction.org)

**Sunday 08th September 2024**  
**9:45am - 12:15pm** (Items may not be accepted for repair after 12 noon)  
 Richmond Town Hall, Richmond, North Yorkshire  
**FREE ENTRY - EVERYBODY WELCOME**  
 Delicious Cakes & Drinks Available

PAT testing kindly donated by BSA Electrical

Repurposing activities supported by North Yorkshire Youth
